\*Regulations for promotion of karate kids are listed separately is another regulation. \* In Ryozanpaku karate-do union, authorization of a black belt is carried out for the 18 or older-year member. As for junior high school student, the 3rd class which is a green belt is the best. [ For high school student, a brown belt which is the 1st class.] However, if there are preeminent strength and the amount of practice, a high school student will also be authorized a black belt. \*As for school children, a brown belt which is the 1st class is the best. When a junior school student who is already acquired the brown belt while in the period of schoolchild participates in a convention and is technically judged as general part conformity, should be authorized the green belt.

\* (The plan of Ryozanpaku karate-do authorizes a black belt to the adult for 18 or more years old to the last.)

Each branch grants authorization rights for color belts.

Black and red belts are approved by Ryozanpaku Karate Japan Headquarters.
